Monday 22nd October,

Dear Parents,

The back of the school has now been painted and the scaffolding has been removed giving us free access from the school hall to the playground. To ease congestion at the end of the day, class RS and RB will now exit the school from the hall.

We have had a number of complaints from the neighbours about the noise on the playground at the end of the day. To avoid further complaints, please ensure that you have left the playground by 15.45.

As a school we are working very hard with the children to ensure that they sit very quietly during assemblies so that everyone can hear the speakers on the stage and enjoy the assembly. We very politely ask parents that you support us and lead by example. Young children are welcome to watch the assemblies, however we politely ask that if your child becomes disruptive during an assembly that you take them out of the hall, either through the back door or via the playground.

Thank you very much for your cooperation,

Yours sincerely,

C. van de Laar-Newson
Head of Nursery/Infant School
