Tuesday 13<sup>th</sup> November,

Dear Parents,

Many thanks to all those parents who returned the parent volunteer form recently. Please find below details of some tasks that we wish to complete at the Nursery/Infant School, perhaps you would like to help.

Library

We would like to organise a rota for parents to assist in the library each morning after drop off or each afternoon before pick up time. This would involve ensuring the shelves are tidy and the books have been returned to their correct place but also taking some time to repair any damaged books.

We have recently bought a very large number of books and resources for our libraries. All the books have been labeled but must be catalogued before they are added to the existing libraries.

If you would like to help with either or both of these tasks please sign up at the Reception desk.

Gardening

Following the success of the plant boxes during the summer term we would like to plant the boxes with bulbs and winter plants. Each class will again have their own box and if you would like to help your child's class to re-plant their tub, then please contact your child's teacher.

Dance Resources

We would like to provide children with a collection of resources for dance and movement lessons. Items would include scarves, ribbons, bells, streamers etc. If you would like to help to gather these resources please sign up at the Reception desk.

Thank you very much for your support,

Yours sincerely,

C. van de Laar-Newson  
Vice Principal
