Monday 25th November,

Dear Parents,

Playground.

May I please remind parents again that the playground must be cleared by 15.45. Whilst the neighbours accept the general level of noise on the playground throughout the day, they are less tolerant of noise after school. Please help us to maintain a good relationship with the neighbours by ensuring that nobody is playing outside after 15.45. On a different note, may I politely ask parents to not enter the playground until 15.15. The children in the Reception classes are often still outside at this time of the day taking part in various outdoor learning activities.

Lost Property

Once again the lost property box is filled to overflowing with articles of unnamed clothing which cannot be traced back to its owner. Please would you check the lost property box if your child has lost any item of clothing recently and please ensure that all items of clothing are named. There are a number of coats in the lost property box which we are reluctant to take to the charity clothing bin but which we will be forced to do so by the end of this week if they remain unclaimed.

Warm Clothing

The weather is turning colder and there are children arriving at school unsuitably dressed for the change in the temperature. Please remember that the children play outside in almost all weathers so it is essential that they come to school with the appropriate clothing, including gloves and hats. Please help all the teachers on playground duty by teaching your child to fasten his/her coat independently.

Volunteers

Thank you to anyone who has signed up to help with the various projects that the school plans to undertake in the near future. If you have yet to sign up but would like to help with projects such as the library, gardening, resource boxes etc. please add your name to the lists at Reception. We will contact all those who have volunteered very shortly.

Thank you for your cooperation.

Kind regards,

C. van de Laar-Newson
Head of Nursery/Infant School
