

Friday 28th September

Dear Parents,

The staff are very happy about the very recent arrival of nearly 20,000 euros worth of new books for our library. It is such a large quantity of books that it will take us an awfully long time to process them and get them on the library shelves if we follow our normal procedure for cataloguing them. I should like to ask if there are any parents who would be prepared to come into school to help with the bar-coding, attaching the Dewey System label and entering the books into the library database. If you are able to give some time, please complete the slip below and return it to me via the reception office at the Upper School.

Yours sincerely,

Robert Laytham
