## Enrichment Activities

Dear Parents

The new afternoon programme of enrichment activities will commence next week, beginning Wednesday October 3<sup>rd</sup>. A wide variety of physical recreation and creative activities will be offered, to give pupils enriching and challenging experiences beyond the traditional curriculum. All activities will take place during normal school hours.

Physical recreation enrichment activities will include; sailing; canoeing; streetdance; and ice skating. Creative activities to be offered include; ceramics; jazz skills; hand chimes; digital media; recorders; and performance skills in drama. Pupils should be able to participate in every activity, if they wish to, during the course of the year. The children will be asked to give their preferences for activities to their form tutor this week.

If it is your child's intention to participate in the sailing or canoeing activity then please complete the slip below to confirm that your child is a confident swimmer. Whilst pupils will, of course, wear life jackets for these activities and be supervised by a fully qualified instructor (with a rescue boat in the water), your consent is required. Please return this slip to his/her form tutor by Monday 1<sup>st</sup> October 2007.

Yours sincerely

*N. C. Rackham*

Nigel Rackham

Deputy Head of Upper School

.....  
I confirm that ..... (insert child's name) is a proficient swimmer and consent to his/her participation in the sailing and canoeing activities during the 2007-2008 academic year.

Parent/guardian name: .....
