The British School of Amsterdam Secondary School offers a quality education to pupils aged 11 – 18, delivered in a state of the art learning environment, designed to ensure their academic success.

Located on the banks of the Amstel river, close to the World Trade Centre, our modern open-plan complex offers the best facilities: ICT provision in all classrooms and networked open study areas; mini-laptops for all pupils; a purpose-built hall, seating 150, and quickly converting into a theatre, dining-hall or catwalk; a brand new outdoor recreation area; a sports field, a gymnasium and access to top-class sports facilities within walking distance.

Guidance and Achievement:

- School curriculum taught in English, offering the very best of British Secondary Education.
- Structured EAL support all the way through Secondary Education.
- All subjects taught to A level by experienced specialist teachers, including Dutch, with access to Italian and Japanese
- Full PSHE programme following SEAL, then MAGIC, then our own Learning For Life programme
- Leading Creative Arts Department with an international competition-winning choir
- Form Tutor based pupil guidance and regular communication with parents
- Strong support of School and fundraising events through Parent Year Representatives

- University, SAT's, TOEFL and Careers Guidance from UCAS and US University expert.
- Careers workshops, work experience, university open days and visiting European university admissions tutors
- Excellent links with local business and proximity to Higher Education establishments, including Amsterdam's world renowned art and design academy
- House System providing cross-yeargroup interaction, competition and a place where achievement in all aspects of academic and extracurricular life is celebrated
- 12 member cross-yeargroup Student Council with a voice and input into School decisions
- Fundraising activities in all yeargroups to support education in developing countries. Local Community Social Service.
