

Happy New Year!

Weekly Newsletter Tuesday 11th January

From the Principal

A very warm welcome back to all BSA parents and families. I hope that you have had a fine Christmas break, and as we look ahead, that 2011 will be a successful and a very happy year for you and yours.

The term has started today, and we do want to maintain effective communication with parents over the next months, without bombarding you with unnecessary detail. If you have suggestions, please get in touch. We welcome ideas and will incorporate them where possible.

Meanwhile, may I remind you of the meeting planned for **Tuesday January 18th at 7.00 p.m. in Fred.Roeskestraat**, indicated in the final News Letter of last term (December 22nd). This will be an opportunity for parents to ask questions about the planned moves of some year groups, as we concentrate our activity on three, rather than four sites. Do come if you have any query; we will do our best to answer it fully and openly.

Best wishes meanwhile for a productive term, full of friendships.

A message from the Heads of School

Happy New Year - may all your hopes and dreams come true this year. We hope that you all had very happy holidays and that you enjoyed the festivities around the world. Many thanks to everyone for all your kind messages, cards and gifts at the end of term— they were much appreciated by all the staff at the school.

A very warm welcome to all the new families joining this term. If you had to relocate during the holiday we hope that your move went smoothly and that you are beginning to feel at home in the Netherlands. We hope that all our new children settle very quickly into school, make new friends and soon feel part of the school community. If your child is starting Nursery for the first time this week, we hope that you find our induction programme useful and your child's first experience of school is a very positive one for you all.

If we can be of any assistance please come and talk to us— we are here to help you.

Please remember that a whole school annual calendar can be found on our website. A number of events are planned at each site this term—more details will follow.
